MESSAGE FROM FOUNDER FATHER'S DESK

Rev.Fr.J.E.ARUL RAJ, FOUNDER OF DMI & MMI

Greetings!

"Dear Students, Parents, and Staff,

I am deeply inspired by the transformative power of education. As we embark on a new journey together, our institution reaffirms its commitment to fostering a holistic learning environment that extends beyond academics. To our students, I offer these guiding words: cultivate self-respect through self-sufficiency, develop knowledge-based technical skills, and strive for dignified employment. I extend my heartfelt gratitude to our parents and staff for your unwavering support. Together, we can shape the minds and hearts of our students, empowering them to become responsible, enlightened, and engaged global citizens.

As we look forward to the forthcoming month, I wish each of you a productive, enriching, and successful October 2024

Sincerely,

Rev. Fr. Dr. J.E. Arul Raj

Chairman.

MESSAGE FROM CAMPUS SUPERIOR'S DESK

REV. SR. ARUL SELVI

Greetings!!!

"On behalf of our esteemed Founder, Rev. Dr. J.E. Arulraj, and the DFT Management, I extend a heartfelt welcome to our dear children, respected parents, and guardians. We firmly believe that education, paired with cultural development, is the cornerstone of self-realization. Our mission is to empower each child to realize their full potential, enabling them to contribute meaningfully and effectively to the community. As an integral part of the community, our school strives to equip students with essential skills to navigate the complexities of the world. Our objective is to foster a lifelong love for learning, promoting:

- Effective communication skills
- Fluency in reading
- Efficiency in writing
- Acquisition of diverse skills

By nurturing young minds, we aim to shape responsible, enlightened, and engaged individuals who will make a profound, positive impact in their communities.

Thank you for entrusting us with the education and development of your children

MESSAGE FROM PRINCIPAL'S DESK

MR. K R RAJ KUMAR

"Dear Students,

As we embark on this educational journey together, I want you to remember that there is mindfulness within each of you. Sometimes, all it takes is a little exploration to discover your true potential. While teachers play a crucial role, I firmly believe that nobody can teach anyone anything directly. Learning is a personal journey, and it's about discovering your own path, passions, and purpose. So, explore, question, and seek knowledge with an open heart and an inquisitive mind. You are not just students; you are future thinkers, innovators, and leaders. Embrace challenges, learn from failures, and celebrate victories. Let your curiosity guide you, and remember that growth happens beyond textbooks—in the interactions, experiences, and moments that shape you. May you find joy in learning, resilience in adversity, and compassion in your hearts. Together, let's create a positive, nurturing environment where everyone thrives.

With warm regards,

K.R. RAJKUMAR, B.Sc., B.Ed., B.A., M.A., M.Phil.

PRINCIPAL

STAFF MEETING MARCH MONTH

WE CONDUCT A MONTHLY STAFF MEETING TO DISCUSS AND REVIEW OUR ACADEMIC PROGRESS AND PERFORMANCE. DURING THIS MEETING, WE SHARE BEST PRACTICES, ADDRESS CHALLENGES, AND SET GOALS FOR ONGOING IMPROVEMENT, ENSURING THAT OUR STUDENTS RECEIVE THE HIGHEST QUALITY EDUCATION.

KG Graduation Day Celebration

KG Graduation Celebration - March 14th
We proudly celebrated the graduation of our Kindergarten students on March 14th! The event was a showcase of the students' incredible talents and enthusiasm, highlighting their growth and achievements throughout the year.

SCOUT AND GUIDE

We are thrilled to announce that our students recently attended the prestigious Scout & Guide Camp at Sriperumbudur. The event was held at Swamy Vivekanantha Viddya Peedam CBSE School, where our students participated in the District Rajyapuraskar Award Test Camp. This camp provided our students with a unique opportunity to develop their skills, build camaraderie, and showcase their talents. We are proud of our students' achievements and look forward to sharing more updates about their experiences.

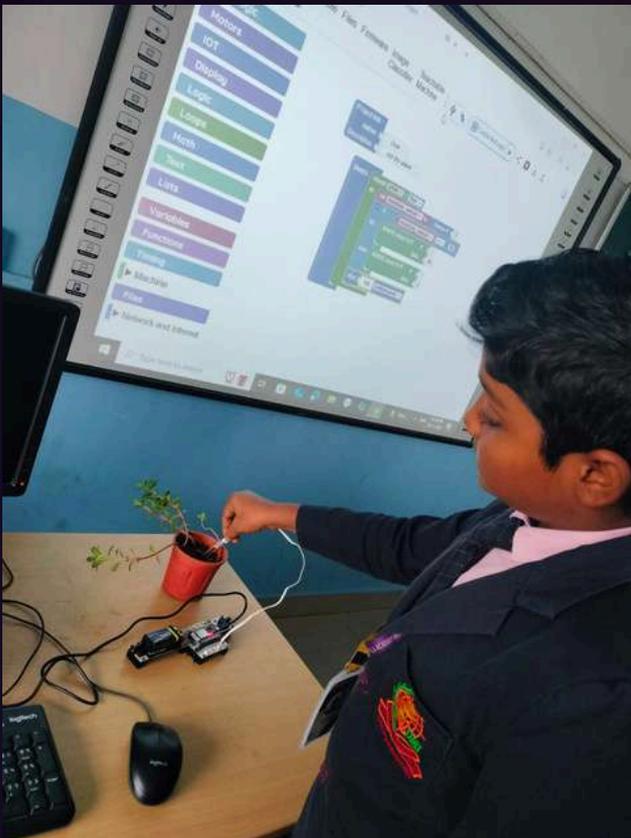

Congratulations to our students on this fantastic achievement!

SCOUT AND GUIDE

ROBOTIC

Class

CODING CLASS

In this coding class, students will learn the fundamentals of programming using languages such as Scratch, Python, or Java. They will understand the basics of coding, including variables, loops, and conditional statements, and apply these concepts to real-world problems. Through hands-on exercises and projects, students will develop problem-solving skills, logical thinking, and creativity. By the end of the course, students will be able to design, code, and test their own programs and projects.

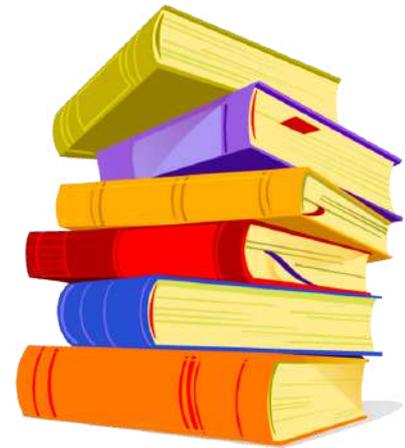

SCIENCE LAB

Computer Science Lab

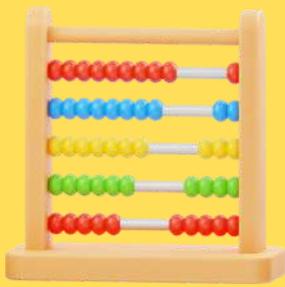

LIBRARY

A library is a collection of resources, including books, journals, magazines, and digital media, that are organized and maintained for the purpose of research, study, and recreation. Libraries provide a quiet and supportive environment for users to access and utilize these resources, often with the assistance of trained librarians.

ABACUS

An abacus is a manual calculating tool used for performing arithmetic operations such as addition, subtraction, multiplication, and division. It consists of a frame with rows of wires or rods bearing movable beads, which represent numbers and are manipulated to perform calculations.

Morning Remedial class

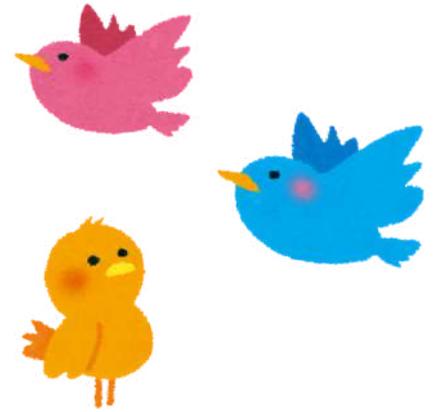

Weekly Appreciation

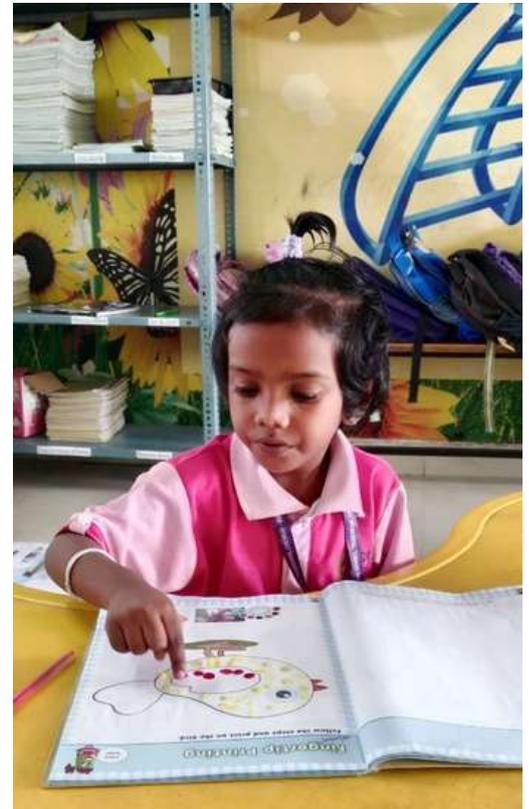

We used to give weekly appreciation certificates to students based on various topics. These certificates aimed to recognize and encourage outstanding performance, behavior, and achievements. Students were awarded certificates for demonstrating exceptional skills, values, and attitudes. By doing so, we fostered a positive and supportive learning environment that celebrated student success.

KG Initiative

THE LETTER AND DRAWING ACTIVITY IS DESIGNED FOR YOUNG LEARNERS TO DEVELOP THEIR FINE MOTOR SKILLS AND CREATIVITY. IN THIS ACTIVITY, STUDENTS ARE ASKED TO IDENTIFY AND TRACE UPPERCASE AND LOWERCASE LETTERS, FOLLOWED BY A DRAWING EXERCISE RELATED TO THE LETTER. FOR EXAMPLE, IF THE LETTER IS 'A', STUDENTS MIGHT DRAW AN APPLE OR AN ANIMAL. THIS ACTIVITY HELPS STUDENTS RECOGNIZE LETTER SHAPES AND SOUNDS, WHILE ALSO ENCOURAGING SELF-EXPRESSION AND IMAGINATION. BY COMBINING LETTER RECOGNITION WITH CREATIVE DRAWING, STUDENTS DEVELOP A STRONG FOUNDATION IN LITERACY AND ARTISTIC SKILLS.

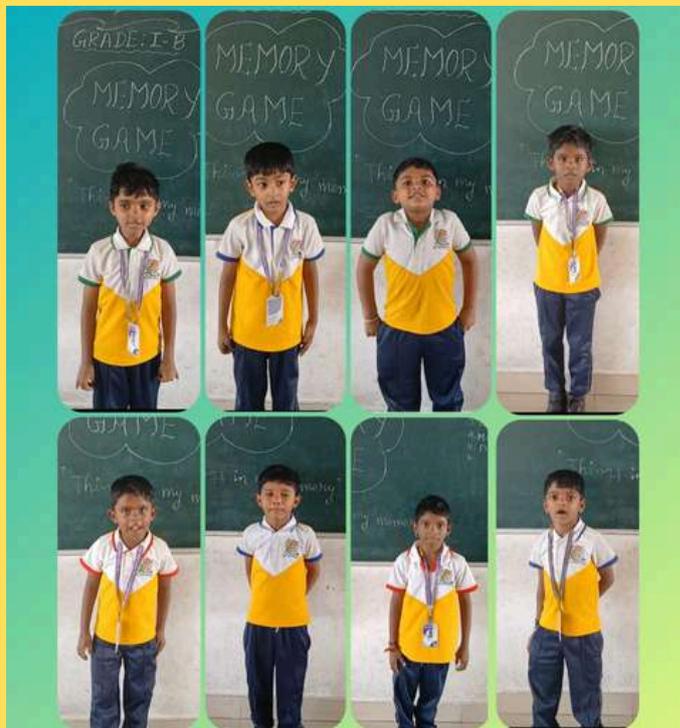

Developing effective listening skills enables students to accurately comprehend and interpret verbal instructions, discussions, and stories. Strong listening skills also foster critical thinking, as students learn to analyze and evaluate information presented through spoken language. By cultivating good listening habits, students become more engaged, attentive, and responsive learners, both in and out of the classroom.

Class Activity

Our students recently participated in an engaging class activity that promoted teamwork, problem-solving, and creativity. Through a collaborative project, students worked together to design, plan, and present innovative solutions to real-world challenges. This interactive activity not only fostered academic learning but also helped build essential life skills, such as communication, adaptability, and critical thinking.

ECA ACTIVITY

Silambam

Western Dance

Karate

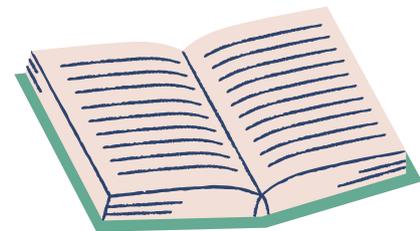

Classical Dance

PARENTS ORIENTATION

PROGRAMME Grade- 8

We conducted a comprehensive Parents' Orientation Programme for Class 8, focusing on the students' academic performance and skill development. This interactive session provided parents with valuable insights into their child's progress, strengths, and areas of improvement, enabling them to support their child's educational journey effectively.

10th Toppers Meeting

Every Wednesday, we conduct a Toppers' Meeting for our 9th and 10th standard students to discuss their academic progress, provide constructive feedback, and offer guidance for excellence. This regular gathering fosters a culture of academic excellence and peer support, encouraging top-performing students to share their experiences and strategies for success.

Academic Meeting

Class Leaders Meeting

The principal and coordinators will meet with students once a week.

Objective: To enhance spoken skills and promote discipline among students.

ADMISSION COMMITTEE MEETING

Our Admission Committee meets weekly to discuss admission enquiries, applications, and strategies. Key areas covered include eligibility criteria, admission tests, parental queries, and trend analysis, ensuring streamlined processes and effective communication.

TRANSPORT COMMITTEE

WE CONDUCT A WEEKLY TRANSPORT MEETING TO REVIEW AND DISCUSS TRANSPORTATION-RELATED MATTERS, ENSURING THE SAFE AND EFFICIENT COMMUTE OF OUR STUDENTS.

House Visiting and Admission Canvassing

As part of our outreach efforts, our team conducts regular house visits and canvassing in the community. This personalized approach enables us to connect with prospective students and their families, providing them with information about our institution and its offerings.
