MESSAGE FROM FOUNDER FATHER'S DESK

REV. FR. J. E. ARUL RAJ FOUNDER OF DMI & MMI

"Dear Students,

As you embark on your educational journey, remember that self-respect comes from self-sustenance. Build your capacity through knowledge-based technical skills, and strive for respectable employment. But beyond that, nurture a strong spiritual base and remain committed to making a positive impact on the world.

May you be well-disciplined, intellectually enlightened, and technically oriented. Face the changing world with stamina, and let your ideas, skills, and products shape your future and that of our country and the universe.

Wishing you success and fulfillment in all your endeavors!

With warm regards,
Rev. Fr. Dr. J. E. Arul Raj"

MESSAGE FROM CAMPUS SUPERIOR'S DESK

REV. SR. ARUL SELVI

Greetings!!!

On behalf of our beloved founder father Rev.Dr.J.E.ARULRAJ and DFT management, I extend my warm hearty welcome to all my dear children and lovable parents. I strongly believe that education along with cultural development leads to self-realization. Our aim is to help a child realize his potential to the fullest extent and contribute use fully and effectively to the community. We believe that the school is a part of the community and we must equip our children to be able to meet the demands of the community around him. Our mission is to encourage a desire for learning through acquiring various skills. To enable a child to speak clearly, read fluently and write efficiently and also to help a child to develop the skill of listening and observing. To generate and encourage our interest in games and other activities.

“Education is the passport to the future, for tomorrow belongs to those who prepare for it today.” — Malcolm X

MESSAGE FROM PRINCIPAL'S DESK

MR. K R RAJ KUMAR

"Dear Students,

As we embark on this educational journey together, I want you to remember that there is mindfulness within each of you. Sometimes, all it takes is a little exploration to discover your true potential.

While teachers play a crucial role, I firmly believe that nobody can teach anyone anything directly. Learning is a personal journey, and it's about discovering your own path, passions, and purpose. So, explore, question, and seek knowledge with an open heart and an inquisitive mind.

You are not just students; you are future thinkers, innovators, and leaders. Embrace challenges, learn from failures, and celebrate victories. Let your curiosity guide you, and remember that growth happens beyond textbooks—in the interactions, experiences, and moments that shape you.

May you find joy in learning, resilience in adversity, and compassion in your hearts. Together, let's create a positive, nurturing environment where everyone thrives.

With warm regards,

MR. K R RAJ KUMAR
